

Katun® Performance™ OPC Drum for use in

Ricoh Aficio MP 4000/5000-series

Digital Copier/Printers

Katun PN: 39533 • OEM PN: D009-9510

Katun's new OPC drum expands the growing line of products for use in a wide range of Ricoh machines!

Note: Products shown represent Katun products in this category.

The addition of this Katun® Performance™ OPC drum for use in Ricoh Aficio MP 4000/5000 machines expands Katun's growing product offering for use in Ricoh monochrome digital copier/printers. The drum offers OEM-equivalent performance at a significantly lower cost than the OEM drum – providing Ricoh dealers with an excellent value and immediate cost savings – without sacrificing quality.

Benefits:

◆ OEM-Equivalent Quality and Performance

Ricoh dealers can expect OEM-equivalent results throughout the life of this Katun® Performance™ OPC drum when used in this still-current and popular series. Maintain high levels of end-user satisfaction while increasing your profitability!

◆ Reduced Cost Per Copy

Use of this Katun® Performance™ drum will reduce your cost-per-copy expenses compared to the OEM product, improving overall profitability without compromising quality, yield, or customer satisfaction. Ricoh dealers installing this Katun® Performance™ drum will gain a competitive cost advantage over dealers installing the more expensive OEM drum.

◆ A Long-Term Profit Opportunity on a Large Widely Placed Machine Base!

The very successful, higher speed Ricoh Aficio 4000/5000-series has been widely placed, providing you with substantial cost-saving and profit opportunities. The Katun® Performance™ drum will provide dealers with a great long-term opportunity to reduce their expenses on a significant portion of their installed machine base.
